

Ontario Operations

Maple Leaf Foods Inc. is a leading consumer protein company, making high quality, innovative products under national brands including Maple Leaf®, Maple Leaf Prime®, Maple Leaf Natural Selections®, Schneiders®, Schneiders® Country Naturals®, Mina®, Greenfield Natural Meat Co.™, SWIFT®, Lightlife® and Field Roast Grain Meat Co.™

Operation Highlights

General Facts

- Constructing a \$720M world class value-added fresh poultry facility in London, Ontario.

Animal Care

- Introduced a broiler enrichment pilot with independent chicken producers to further enhance natural behaviours in chickens.
- Ongoing implementation of real time digital trailer environmental monitoring for chicken transportation.
- Leader in providing Raised Without Antibiotics (RWA) offerings to Canadian consumers. 50% of birds produced in Ontario are RWA.

Environmental Initiatives

- Reduced electricity consumption by 79M kwh since 2014. Estimated usage reduction to reach over 16M kwh by end of 2018.
- Installed Electric Vehicle charging stations and preferred Electric Vehicle parking spaces at corporate campus.
- Ongoing implementation of a national LED lighting retrofit program across all plants.
- Investing in a carbon offset project with AIM Environmental Waste Diversion.

Community Support

- Since December 2016, The Maple Leaf Centre for Action on Food Security has committed \$3.78M to eleven projects in Ontario, some of which have a national reach.
- Product donations in Ontario have totaled over \$3.9M since 2016 to charitable organizations and food banks across the province

Our operations include four broiler breeder farms and we source from 50 hatching egg producers, 400 chicken producers and 70 turkey producers.
